AUTUMN BREAK HOMEWORK (2023-2024)

CLASS - I SUBJECT - MATHEMATICS

Dear Parents

The most awaited break of the year is around the corner.

It is a wonderful time to relax, enjoy and spend quality time with our families. At the same time, it is a time to revise the work done in the previous months. Here are some suggestions to make the vacation a memorable one.

> Play with them, tell them stories and talk to them about their problems, aspirations etc.

> Tell them anecdotes and share your experiences about vacations when you were in school and give them a glimpse into your childhood.

> Help them set and achieve goals for self-improvement and motivate them by your own active participation (for example managing anger, meditation, cycling and yoga for fitness)

> Encourage them to read, dance, paint and sing. Motivate them to pursue a hobby.

> The homework assignments and activities are designed to help the students explore their own creativity as they attempt each of the fun-filled subject enrichment activities. Help them to create something truly magical in the process.
